SEBI revises norms for written-off FPI securities

SEBI has notified that the sale of written-off securities through stock exchange, held by non-operating Foreign Portfolio Investors (FPIs), and proceeds thereof net of expenses will need to be credited to its Investors Protection and Education Fund (IPEF) within seven days from the date of receipt. Similarly, corporate benefits received in form of cash or dividend will need to be credited to its Investors Protection and Education Fund (IPEF) within seven days from the date of receipt. In case of receipt of corporate benefits in the form of securities arising out of shares written off, the same shall be reported to SEBI in the normal manner.

RBI asks banks to supply 40% of notes to rural areas

RBI has directed banks maintaining currency chests to ensure that at least 40% of all banknotes, in denomination of `500 or below, are supplied to rural areas. Banks have to advise their currency chests to give high priority to issuing fresh notes to rural branches of RRBs, DCCBs and commercial banks, white label ATMs and post offices in rural areas.

GIFT City exchange approved

The National Stock Exchange (NSE) has received SEBI’s in-principle approval to set up an international exchange at Gujarat International Finance Tec (GIFT) City. This exchange, named as NSEIFSC, is expected to go live by mid-February.

Airtel launches Payments Bank

After running pilot programmes in Rajasthan, Andhra Pradesh and Telangana, Airtel Payments Bank services are rolled out across the country. Users of the My Airtel mobile application will have the option to migrate from the digital wallet to a bank account by filling e-KYC details through Aadhar. To begin with, the customer’s mobile number will be his/her bank account number. An interest rate of 7.25% will be paid on deposits in savings accounts. Airtel will also provide free personal accidental insurance of `1 lakh to every savings account user. On an added note, customers will get one minute of Airtel mobile talk time for every rupee deposited at the time of opening a savings account.

SEBI notifies rules for direct trade by FPIs in corporate bonds

SEBI has amended Foreign Portfolio Investor (FPI) regulations to allow Category I and II FPIs to directly access the corporate bond market without brokers. Domestic institutions such as banks, insurance companies and pension funds have also been allowed this facility. FPIs can now own up to 15% stake in an exchange; a move that is expected to attract foreign inflows in Indian capital market.

MFs can now invest in REITs

In a bid to attract more investors into Real Estate and Infrastructure Investment Trusts, SEBI has decided to allow investment by mutual funds in Real Estate Investment Trusts (REITs) and Infrastructure Investment Trusts (InvITs). A mutual fund would be permitted to invest only up to 5% of its net asset value in units of a single issuer of REITs and InvITs. In case of index fund or sector or industry specific scheme, pertaining to REITs and InvITs, the limit would be 10% of its NAV in units of REITs and InvITs.
Banking Policies

RBI curbs on overseas direct investment

RBI has issued prohibitions on making direct investment in an overseas entity (set up or acquired abroad directly as a Joint Venture (JV) / Wholly owned Subsidiary (WoS) or indirectly as step-down subsidiary) located in the countries identified by the Financial Action Task Force as ‘non-co-operative countries and territories’ because such countries have weak structures to combat money laundering and financing of terrorism.

Banking Developments

Registered FPIs can run IFSC operations: SEBI

SEBI has now allowed registered Foreign Portfolio Investors (FPIs) to set up operations in international financial services centres (IFSCs) without additional documentation. FPIs desirous of participating in IFSCs will be required to ensure clear segregation of funds and securities. Custodians will have to monitor compliance with this provision for their respective FPI clients. In turn, the FPIs will have to keep their respective custodians informed of their participation in the IFSC.

Crisil’s new credit rating system for infra projects

Crisil has launched a new credit rating framework, in consultation with the Ministry of Finance, for infrastructure projects to facilitate greater participation from long-term investors and lenders. The new credit rating system is based on the ‘expected loss’ (EL) methodology. The rating will be an expert judgement on EL over the life of the debt instrument by taking into account the two pillars of credit risk – the probability of default (PD), and the prospects of recovery.

NPCI upgrades BHIM App

The National Payments Corporation of India (NPCI) has upgraded Bharat Interface for Money (BHIM) App, the nationwide common platform for making simple, easy and quick payment transactions using the Unified Payments Interface (UPI). The updated BHIM version 1.2, which is available on Google Play Store, offers enhanced security features (such as ‘Pay to Aadhaar Number’ and a ‘Spam Report’ to help users block unknown persons requesting for money) and superior user experience to make digital transactions much more safe and secure.

India Post gets license to start banking services

Following Bharti Airtel and Paytm, the India Post has received payments bank license from RBI to start commercial banking operations. Payments banks can accept deposits up to ₹1 lakh per account from individuals and small businesses. They are set up as differentiated banks and will confine their activities to acceptance of demand deposits, remittance services, Internet banking and other specified services.
India Post Payment Bank pilots in Ranchi, Raipur

India Post Payments Bank (IPPB) has rolled out its pilot services in Raipur and Ranchi. It will offer an interest rate of 4.5% on deposits up to ₹25,000 and 5% on deposits of ₹25,000 – ₹50,000 – ₹1 lakh. IPPB and India Post will work in tandem to deliver benefits of government schemes and financial services that are not easily available in rural areas, and to the marginalized population in urban areas. IPPB is hoped to have a multiplier impact on Indian banking, as lakhs of postmen are connected with masses in the rural areas. Set up as a 100% government-owned public limited company under the Department of Posts, it will open around 650 branches in district headquarter locations by September. All 1.55 lakh post offices, including the 1.30 lakh rural post offices, will be mapped to the IPPB branch at the district headquarter and function as access points. 1,000 ATMs of India Post will be transferred to IPPB.

IRDAI panel to review life insurance product norms.

The Insurance Regulatory and Development Authority of India (IRDAI) has constituted an eight-member committee, under the Chairmanship of Mr. Amitabh Chaudhry, CEO, HDFC Standard Life Insurance Company, to review life insurance product regulations.
