BACKGROUND

During its 96 years of service, IIBF which is an "Institute of the Bankers, for the Bankers and by the Bankers", has emerged as a premier institute in banking and finance education. Considering the emerging requirements of the bankers in the ever changing dynamic environment, IIBF has been providing training to bankers in select areas. IIBF has world class training facilities at its Leadership Center, Mumbai. It also has four Professional Development Centres (PDCs) at Chennai, Delhi, Kolkata & Mumbai conducting training sessions in virtual mode and physical training classes, covering any banking subjects.

PURPOSE

The Banking Industry is undergoing a total transformation for the past few years and changes are bound to continue in future also in alignment with our country's requirements and needs. Indian Banks have played a vital role in country's economic development. However, in the past few years large experienced people have retired and young professionals have joined the Banking Industry.

The young banking professionals also assuming Branch leadership responsibilities at an early stage of their career and the mentors and trainers are thin on ground. They have to direct and lead a team to achieve their organisation goals in a time bound manner. As management guru Mr. Peter Drucker has mentioned "Leadership must be learned and can be learned". As leaders of an organisation, it is their responsibility to create a future for their organisation.

As a leader of a bank branch they have to lead a team of knowledge workers to achieve their mission. The leaders must know and understand those they wished to lead, and lead in a way followers could relate to. Becoming a leader means having the will to pursue a path that builds that competency and capacity. As Peter Drucker has said "Management is doing things right; Leadership is doing right things".

The leadership is influencing people by providing purpose, direction, and motivation, while operating to accomplish the mission of the organisation. The most effective means of influencing people is through communication.

Hence, we, the PDC, South Zone, Chennai has taken all initiatives to contribute by conducting training programme on the captioned topics to nurture and build up young and confident leadership to shoulder more responsibilities.
