PROGRAMME BACKGROUND

NPAs in Indian Banking sector indicates the need to establish a robust Credit Appraisal & Monitoring system with all due compliances. Early detection of Warning Signals & taking proactive preventive measures may mitigate Credit risks of the Banks. Although it sounds simple, achieving consistency in strategic appraisal & credit monitoring for effectiveness of credit portfolio is always a challenging Task. It is therefore, sine-qua-non for Banks to adopt all prudent credit appraisal processes & adopt effective monitoring strategies for mitigation of credit risk on a continuous basis both at individual loan account and portfolio level. Effective appraisal & monitoring reduces the loan losses, lowers capital requirements and improves asset quality. Sound appraisal & Credit monitoring practices, if implemented

successfully, enhances Productivity of Capital and ensures higher Return on Equity. The programme envisages competence building among the participants by improving their knowledge and skills in appraisal & monitoring of the credit portfolio. The programme introduces the participants to different stages of collection processes right from scrutiny of ledger account to the resolution of stress by way of Rescheduling & Restructuring of Stressed Assets to prevent fresh slippages. An additional emphasis has also been kept in the training module for adopting quick strategies for expediting recovery once the accounts slip to NPAs, where the follow up measures with the borrowers can be by adopting both legal & non legal recourse available with the Banks. The emphasis of the programme is on interactions, group discussions, sharing of experience and exercises, apart from the traditional training methods.
