## **BRIEF BACKGROUND**

Established on 30th April 1928 as a company under Section 26 of the Indian Companies Act, 1913, the Indian Institute of Banking & Finance (IIBF), formerly known as the Indian Institute of Bankers (IIB), is a professional body of Banks, Financial Institutions, and their employees in India. IIBF during its 97 years of service been actively involved in examination, training & academics. It has emerged as a premier institute in banking and finance education.

Considering the emerging requirements of finance professionals in the ever-changing dynamic environment, IIBF has been providing quality training. The programs are designed in consultation with industry experts and human resources personnel with an endeavour to address the skill gaps on a continuous basis.

The regular offerings in varied areas prepare the finance professionals ahead of the impending change. IIBF has state-of-the-art training facilities at its Leadership Centre at Mumbai, and it has four Professional Development Centers (PDCs) at Mumbai, Delhi, Chennai and Kolkata catering to the increasing demand for the focused training programmes.

## **ABOUT THE PROGRAMME**

In today's fast-evolving financial landscape, Cyber Risk Management & IT Security have become crucial for protecting the integrity of digital operations. With increasing digitization, financial institutes face more complex and frequent cyber threats, making it essential to safeguard customer data. To address this need, the Indian Institute of Banking & Finance (IIBF) offers a specialized training program that equips finance professionals with key knowledge and skills in Cyber Risk Management & IT Security.

This comprehensive program covers Cyber Security fundamentals, including the necessary regulatory frameworks, governance, and risk management practices that banks must adopt. It emphasizes the role of business heads in mitigating risks and fostering a secure banking environment. Participants will also be introduced to the latest trends and technologies in Cyber Security, such as AI-based security tools and advanced threat detection, helping financial institutes stay ahead of evolving threats.

Key highlights of the program include:

- **Cyber Security Fundamentals:** Learn the core concepts and regulatory requirements.
- **IT Governance and Risk Management:** Understand how to implement strong governance and manage cyber risks.
- **Role of Business Heads:** Explore leadership responsibilities in cyber risk mitigation.

- **Emerging Trends:** Stay updated on the latest technologies and trends in Cyber Security.

The program is designed to help professionals protect their institutions from cyber threats while ensuring seamless, secure services for customers.

## **OBJECTIVES**

- **Enhance Cyber Security Awareness:** Strengthen participants' understanding of Cyber Security principles, emerging threats, and strategies to prevent and respond to cyber-crimes.
- **Strengthen IT Governance and Risk Management:** Provide insights into governance frameworks and risk management techniques to implement effective security measures.
