BRIEF BACKGROUND

During its 98 years of service, IIBF has emerged as a premier institute in the banking industry. Considering the emerging requirements of the bankers in the dynamic environment, IIBF has been offering certification courses and training programmes to the banking professionals.

The training programmes are designed in consultation with the industry experts and human resources personnel with an endeavour to address the skill gaps on a continuous basis. The regular offerings in varied areas prepare the banking professionals ahead of the impending change.

IIBF offers virtual training programmes for its Blended Certification courses and many other programmes to facilitate learning across the country.

IIBF also has state-of-the-art training facilities at its Leadership Centre at Mumbai. It also has seven Professional Development Centres (PDCs) at Delhi, Chennai, Kolkata, Mumbai, Lucknow, Bangalore & Guwahati with residential facilities at Delhi to accommodate approx 45 participants at a time to cater to the increasing demand for focused training programmes.

ABOUT THE PROGRAMME

In the dynamic world of finance, internal audits are crucial for maintaining operational integrity and compliance. As the third line of defence, internal auditors play a pivotal role in identifying risks, preventing revenue leakages, and ensuring seamless operations amid digital transformation, regulatory scrutiny, and financial uncertainties.

This specialized program is designed to empower auditors with cutting-edge skills and tools, focusing on critical areas such as Risk-Based Internal Audit (RBIA), branch risk ratings, document verification, and revenue leakage detection. Participants will engage in interactive sessions led by seasoned bankers and industry experts, exploring real-world case studies and best practices.

The program also emphasizes leveraging technology, including data analytics and automation, to enhance audit precision. By equipping auditors with practical strategies, this course ensures they can strengthen their institutions' risk management frameworks and uphold resilience in an ever-evolving financial ecosystem.

OBJECTIVES

- **Enhancing Expertise and Skills:** Equip audit officers with advanced knowledge and skills to navigate modern banking complexities, foster professional growth, and drive continuous improvement in audit practices.
- **Strengthening Audit and Risk Management:** Build robust audit systems and practices to protect the bank's interests, ensure regulatory compliance, and enhance auditors' ability to identify, assess, and mitigate risks effectively.
- **Promoting Ethics and Transparency:** Foster a culture of integrity by upholding the highest ethical standards, ensuring accountability, and safeguarding the bank's assets and reputation through transparent and ethical audit practices.

CONTENT OVERVIEW

- **Evolution of Audits and Risk-Based Approach:** Trace the transition from traditional audits to Risk-Based Internal Audits, emphasizing their relevance, applications, and role in modern banking operations and supervision.
- **Comprehensive Audit Methodologies:** Gain expertise in auditing branches, departments, credit facilities, and Forex operations under the Core Banking System (CBS), while understanding audits' role in fraud prevention, KYC/AML compliance, and early risk detection.
- **Technology and Governance in Audits:** Explore IT governance, the integration of Governance, Risk, and Compliance (GRC), and the use of audit automation to enhance efficiency and ensure robust internal audit functions.

METHODOLOGY

- Virtual interactive sessions comprising lectures, case studies, presentations, and experience sharing, delivered through the Institute's licensed Zoom and LMS platforms.
- Live sessions by Faculty shall be conducted and participants can participate in the sessions from home or office using Laptop/Desktop.
- Login details for accessing the sessions shall be shared on registered mail ids of participants 12-24 hours before the program.

- Pre-Reads will be made available on IIBF designated site which will be accessible to the participants.
- PPTs and courseware will be on the LMS platform accessible to the participants.
- Entry/Exit test will be conducted to self-assess the program impact.

****A Certificate of Participation will be awarded upon successful completion of the Training Program****
