VIRTUAL TRAINING PROGRAMME ON PROJECT FINANCE

BACKGROUND

During its 95 years of service, IIBF which is an "Institute of the Bankers, for the Bankers and by the Bankers" has emerged as a premier institute in banking and finance education. Considering the emerging requirements of the bankers in the ever-changing dynamic environment, IIBF has been providing training to bankers in select areas. IIBF has world class training facilities at its Leadership Center at Mumbai. It also has four Professional Development Centres (PDCs) at Delhi, Mumbai, Chennai & Kolkata with residential facilities at Delhi to accommodate more than 50 participants at a time.

PROGRAMME HIGHLIGHTS

Project financing has become important activities of banks in the recent years. With the growth in the economy and the revival in the industrial sector coupled with the increasing role of private players in the field of infrastructure, more & more banks/Financial Institutions/ NBFCs are entering into the project finance area. This Course is specially designed, to familiarize candidates with basic issues arising in financing projects, as well as risk analysis and risk mitigation methodologies with a specific emphasis on structured financing. The candidates would also be taken through the process of building financial models for projects handled by them. The programme is blended with pre training reading materials & 5 day virtual training.

The Program will cover both industrial finance as well as infrastructure finance.

OBJECTIVES:

- The course is aimed at equipping bankers with advanced skills in the field of project appraisal, financing, etc.
- The programme intends to provide practical knowledge in project appraisal and lending, to help the candidate in developing competence and overall expertise in project finance.

TARGET GROUP:

Banking & Finance professionals, officials working in banks/financial institutions/NBFCs who are involved in appraising large & medium projects, both industrial and infrastructural.

TRAINING METHODOLOGY

Programme will be conducted in Virtual Mode and can be attended from anywhere by using devices with Internet like PC, Laptop, Tablet or Smart Phones. The sessions will be handled by experienced faculties and experts from industry. After completion of the Training, Participation Certificates will be issued by the Institute to the participants.
