BRIEF BACKGROUND

Established on 30th April 1928, IIBF which is an “Institute of the Bankers, for the Bankers and by the Bankers” has during its 96 years of service been actively involved in examination, training & academics and has emerged as a premier institute in banking and finance education.

Considering the emerging requirements of the bankers in the ever-changing dynamic environment, IIBF has been providing quality training to bankers in select areas. The training programmes are designed in consultation with the industry experts and human resources personnel with an endeavour to address the skill gaps on a continuous basis.

The regular offerings in varied areas prepare the banking professionals ahead of the impending change. IIBF has state-of-the-art training facilities at its Leadership Center at Mumbai and it has four Professional Development Centers (PDCs) at Mumbai, Delhi, Chennai and Kolkata catering to the increasing demand for the focused training programmes.

ABOUT THE PROGRAMME

In recent years, the banking industry has experienced substantial changes driven by evolving customer profiles, rapid technological advancements, innovative products, and heightened service expectations. To navigate this dynamic environment, branch managers must possess a specific set of skills that are timely acquired and effectively utilized.

Recognizing this need, the Indian Institute of Banking & Finance (IIBF) has designed a specialized training program for branch managers, focusing on effective branch management and basic credit appraisal.

- **Understanding Branch Management:** Provide a thorough understanding of the roles and responsibilities of a branch manager.
- **Leadership and Management Skills:** Enhance leadership and managerial skills to efficiently manage branch operations.
- **Credit Appraisal Skills:** Introduce the principles of credit appraisal, including financial statement analysis and credit risk assessment.
- **Customer Relationship Management:** Develop strategies for effective customer relationship management and business development.
- **Problem-Solving and Decision-Making:** Improve problem-solving and decision-making abilities in a branch management context.

Thus this program aims to equip participants with the necessary tools and knowledge to manage branch operations efficiently, make informed credit decisions, and contribute to the overall profitability and growth of the bank.

OBJECTIVES

The programme aims at developing understanding among participants about:

- Understand the key responsibilities and roles of a branch manager.
- Develop skills in effective branch management and operations.
- Gain insights into basic credit appraisal and risk assessment.
